## **YEFF Deliverable 3.3:**

Web based online application EIT  
available in 8 country versions / 5  
languages

**Project:** YEFF – Young Energy Efficiency

The sole responsibility for the content of the websites lies with the authors. It does not necessarily reflect the opinion of the European Union. Neither the EASME nor the European Commission are responsible for any use that may be made of the information contained therein.

## YEFF: D 2.3 National and regional websites

Senercon in collaboration with the co2online provided the EIT in 8 country versions (5 languages). The translation work was done from the partner in the countries. The EIT has an innovative, responsive design which guarantees that the tool can be used on all different end devices such as smart phones, tablet and regular desktop computers.

### Overview of the Energy-Index-Tools (EIT)

EIT from Germany: [www.be-smergy.de/smergymeter/?no\\_cache=1](http://www.be-smergy.de/smergymeter/?no_cache=1)
